

## 4REAL Stage 2

July 15

*As we progress through the phases outlined by our state and local government, this information is constantly changing. Please check back with us for current updates.*

### **Online Experience for High Risk Groups**

Based on currently available information and clinical expertise, anyone who has serious underlying medical conditions might be at higher risk for severe illness from COVID-19. Any student with an underlying health condition should consult their healthcare provider to assess their risk and determine if they should stay home. For those students not able to attend, we will offer an online experience. To access the weekly videos, check out the 4Real Facebook page. For a parent weekly update on what's happening in 4Real, daily devotional guides for your students and more, [click here](#).

### **On-Campus Experience**

*All students will check-in to the same grade they participated in before quarantine, (If they were in 10th grade, they will remain in 10th until July 26).*

Graduated Seniors are encouraged to join us for the next 2 weeks of celebration and preparation as they transition to The Table (Believers Young Adults ministry).

**4Real New TIME:** 7:00p - 8:30p (No early drop-off)

### **SOCIAL DISTANCING**

To keep with the government's social distancing guidelines:

4real will not be offering before service hang-out time or pizza prior to the worship experience, until further notice. Please make sure that your student eats before they come and that they do not arrive before 7p.

While in the auditorium, students will be meeting in groups of 10, maintaining 6 feet of distance between each group. Large and small group time will both be held in the auditorium providing ample space for students to safely engage in the service and enjoy some friendly, team competition!

**MASKS** All 4Real Impact TEAM members will be encouraged to wear masks following our state guidelines for this phase. It is recommended for students but will not be enforced.

**CHECK-IN** Students will park in the main parking lot and check-in at the main doors. The 4real Guest Services team will be conducting \*temperature checks and will print out the student's security badges for them, allowing the students to have a touch-free experience.

**\*TEMPERATURE** All serving team members, and students will have their temperature taken upon check-in. If anyone has a temperature over 100.4, they will not be able to participate. Parents of students who don't drive will be contacted to pick up their student.

**HAND SANITIZING** stations will be strategically placed near all entrances, exits, and in common areas. These will be routinely monitored throughout gatherings to ensure they are always full of product. All stations will contain a product that meets the minimum requirements of 60% alcohol

by volume, the amount suggested by the CDC as the minimum amount necessary to be effective against viruses.

**SICKNESS** Should your student become sick while in service, we will notify you to come and get them so that others are not exposed.

Should a student attending a 4Real service contract the Coronavirus, a notification will be sent out immediately to all families.

**CLEANING** All hard surfaces in the 4Real environments will be sanitized before the service with a disinfectant solution approved by the PA Department of Health. Restrooms will receive a thorough cleaning as well as a once over during the service.

Our HVAC system hosts mechanical ductwork called Plasma Air, an ionization system that kills viruses and cleans the air during the return air portion of the system and has been confirmed to kill the Coronavirus. The air will be cleaned 4 or 5 times per hour and will help keep our attendees safe.

**CHECK OUT** Parents will enter the drive-in pick up line at the front of the HUB. Safety Team will ask for the student's name(s). Once the students are called, they will meet all guardians at their cars, at the back of the HUB as per normal.

**QUESTIONS** Contact our Student Pastor, Doug Vance at [Doug.vance@believerschurch.org](mailto:Doug.vance@believerschurch.org)
