

## theTable Stage 2

July 12

*As we progress through the phases outlined by our state and local government, this information is constantly changing. Please check back often for current updates.*

### **Online Experience for High Risk Groups**

Based on currently available information and clinical expertise, anyone who has serious underlying medical conditions might be at higher risk for severe illness from COVID-19. Any young adult with an underlying health condition should consult their healthcare provider to assess their risk and determine if they should stay home. For those not able to attend, we will offer an online experience every Tuesday @ 7p live on Instagram.

### **On-Campus Experience**

#### **SOCIAL DISTANCING**

To keep with the government's social distancing guidelines, theTable will not be offering before service hang-out time prior to the worship experience. If you will be joining us, park in the front of the HUB, sign-in and we'll start right at 7p.

**MASKS** All Table TEAM members will be encouraged to wear masks following our state guidelines for this phase. Masks are also recommended for participants, but will not be enforced.

**HAND SANITIZING** stations will be strategically placed near all entrances, exits, and in common areas. These will be routinely monitored throughout gatherings to ensure they are always full of product. All stations will contain a product that meets the minimum requirements of 60% alcohol by volume, the amount suggested by the CDC as the minimum amount necessary to be effective against viruses.

**CLEANING** All hard surfaces in The Table environments will be sanitized before the service with a disinfectant solution approved by the PA Department of Health. Restrooms will receive a thorough cleaning as well as a once over during the service.

Our HVAC system hosts mechanical ductwork called Plasma Air, an ionization system that kills viruses and cleans the air during the return air portion of the system and has been confirmed to kill the Coronavirus. The air will be cleaned 4 or 5 times per hour and will help keep attendees safe.

**CLOSING:** Once groups are finished, we simply ask that all conversation be taken outside where you can hang out all you want! We will have some special events planned for after and would love to have you join us

**QUESTIONS** Contact our Student Pastor, Doug Vance at [Doug.vance@believerschurch.org](mailto:Doug.vance@believerschurch.org)
